## 1 FOI Request

- 1.1 **Nature of Request:** Under the Freedom of Information Act, please can you provide me with a database extract of all incidents involving animal rescues from November 2014 to February 2017, including, where possible, date and time of incident, location, type of animal involved and description of the incident (these last two may be the same field).

## 2 Response

The following information is the number of special service incidents that have been classed by Tyne and Wear Fire and Rescue Service (TWFRS) as 'animal assistance incidents' and not the number of animals rescued. TWFRS do not record specific animal types in incidents but group them into categories. The data covers the period from 01/11/2014 to 28/02/2017.
