## Request:

I would like a detailed list of all individual vehicles currently owned or leased to. This information should cover both operational and non-operational roles. I am not seeking any financial or purchase price information and do not necessarily require detailed information such as call signs or registration numbers, the following information would be most appreciated

1. Vehicle type (appliance, CSU, Support vehicle etc.)
2. Vehicle Class (HGV, LCV/VAN, Minibus, Car, Motorcycle etc.)
3. Vehicle Make
4. Vehicle Model
5. Operational or non-operational (e.g. general purpose staff cars)
6. Equipped with Emergency Services equipment (Lights and/or livery)
7. Leased or outright purchased.

The preferred format would be either Excel or Word, if possible, however the information in any format is greatly appreciated.

## Response:

Please see information attached. Please note, leased vehicles are highlighted in yellow and vehicles which aren't highlighted are owned by Tyne Wear Fire and Rescue Authority.
