September 2018 saw the 41st International Sports Tournament, held in the Royal Grammar School in Newcastle and other venues across the North East, then the Hilton Hotel on Newcastle / Gateshead Quayside, with 7 sports involved, we had a number of services represented from all over the country. Plans are already underway for 2019 42nd Tournament which will take place over the 29th/ 30th and 31st Aug, sports will be based around the North East, with the presentation and accommodation being held at the Crowne Plaza Newcastle. Great work by the committee to secure these amazing venues.
