1 Request

I would like to compare the statistics for fire service call outs to Beach Road, South Shields, annually since 2012 please.

(I presume it's easiest for annual statistics to be provided.) We are seeking information to see whether there has been a rise in fire service call outs over the last 10 years to Beach Road.

Beach Road has multiple postcodes, these are:

NE33 2LZ, NE33 2QA, NE332SA, NE33 2SD, NE33 2QT, NE33 2QZ, NE33 2QU, NE33 2LY, NE332NE, NE332ND, NE332NN

2 Reply

- 2.1 The following information is taken from Tyne and Wear Fire and Rescue Service (TWFRS) Incident Recording System (IRS). An IRS incident record is completed by the Officer in Charge for every incident attended.
- 2.2 The requestor stated they wanted calendar year data from 2012 and mentioned the last 10 years. The data in the table below is from the requested start date but this is actually 11 years' worth of data up to the end of 2022.
- 2.3 Data was obtained utilising the postcodes supplied by the requestor.

3 Data

- 3.1 Over the 11 year time period of the report there have been a total of 86 incidents recorded in Beach Road. Apart from a spike in 2015 (12 incidents), 44 incidents (51%) occurred in the last 4 years compared to 42 in the 6 years previously.

Year	False Alarm	Fire	Special Service	Total
2012		5		5
2013	3	1	1	5
2014	3	1		4
2015	7	3	2	12
2016	3			3
2017	3	2	3	8
2018	2	1	2	5
2019	11		2	13
2020	6	3	3	12
2021	6	2	2	10
2022	4	3	2	9
Total	48	21	17	86
