### REQUEST

I would be very grateful if you would provide me with answers for the following questions regarding your carbon goals and printer agreements through the organisation:

1. What is the current average energy charge within the organisation (kW hour)?
2. What Carbon reduction goals are in place within the organisation?
3. What is the contact email for the person who deals with sustainability and ESG matters within the organisation?
4. Do you lease/rent or Purchase your MFD's/Photocopiers?
5. Who is your current supplier?
6. What is the current number of MFD's/Photocopiers within the organisation
7. What make/model are the MFDs/Photocopiers
8. What is the total mono print volume for the MFD's/Photocopiers
9. What is the total colour print volume for the MFD's/Photocopiers
10. What is the approximate spend on service over the last 12 months?
11. When does the Rental and or service agreement end for the MFDs/photocopiers, and what was the original contract term?
12. Do you lease/rent or Purchase your desktop printers?
13. Who is the current supplier?
14. What is the current number of desktop printers within the organisation?
15. What make/model are the desktop printers
16. What is the total mono print volume for the desktop printers
17. What is the total colour print volume for the desktop printers?
18. What is the approximate spend on service over the last 12 months?
19. When does the rental and or service agreement end for the desktop printers, and what was the original contract term?
20. What is the contact email for the person who deals with the printer and MFD contracts?

Any printed documents are considered uncontrolled.
