

Guidance Note

Topic:	Bonfire Assembly: Reinforcement
Risk Factor(s):	<i>Bonfire, Fireworks, ASB, Peer Pressure</i>

Slide Guidance

Slide	Purpose	Teacher Notes
Slide 1: Introduction	Introduce the session and remind learners of the assembly.	- Briefly recap the assembly - Explain that today's session will reinforce the key messages
Slide 2: Bonfire Night	Encourage learners to think about both the enjoyment and risks associated with Bonfire Night.	- Ask learners what they enjoy about Bonfire Night - Discuss some of the risks linked to fireworks and bonfires - Reinforce that most poor decisions begin with small choices
Slide 3: Reflection	Encourage critical thinking about consequences.	- Allow learners time to discuss - Explore immediate and wider consequences - Encourage consideration of impacts on friends, families and emergency services
Slide 4: Scenario Activity	Develop decision-making and risk identification skills	- Facilitate discussion rather than looking for "correct" answers - Encourage learners to: - identify risks - consider consequences - suggest exit strategies - think about peer pressure
Slide 5: Personal Commitment	Allow learners to apply learning to real life.	- Ask learners to complete the sentence: <i>"This Bonfire Night, I'm going to..."</i> - Encourage positive and realistic responses
Slide 6: Stop - Think - Choose - Act	Reinforce safe decision making	- Link back to the assembly - Remind learners to consider: - Is it safe? - Is it legal? - Could someone get hurt? - Reinforce that walking away is a positive choice
